

WELCOME TO AURELIA

One of the most coveted addresses in the Philippines. A location defined by the extraordinary cosmopolitan skyline views and the lush greens of Manila Golf Club, Manila Polo Club, and Forbes Park.

An unparalleled collaboration of architects, designers, and artisans who represent the pinnacle of their respective fields. A meticulously-curated vision inspired by *sprezzatura* - an effortless and understated sense of classic Italian elegance.

A limited collection of 285 bespoke residences at the heart of Bonifacio Global City, the fastest-growing central business district in the Philippines.

Welcome to Aurelia Residences.

YOUR WINDOW TO THE WORLD

With its prime location in Bonifacio Global City, Aurelia Residences offers commanding views across the city and beyond.

One of the key architectural challenges was to maximize the viewing angles throughout the tower, across all floors and in all orientations. The signature Aurelia three-petal form provides an elegant architectural solution to this challenge by opening up the façade to dramatic views in all directions.

To the north, stunning views of metropolitan BGC. To the south-west, the beautiful views of the Manila Golf Club, Forbes Park and the Makati skyline with Manila Bay on the horizon. To the south-east, the serene view of Laguna Bay in the distance.
